COPENHAGEN
RENEWABLE ENERGY, ENVIRONMENT AND
REGULATED MARKETS
Friday 31 May

10:00 – 14:00

LOCATION: **better energy A/S**, Gl. Kongevej 60, 14th floor, 1850 Frederiksberg C
(walking distance to the hotel)

Program:

1. Welcome by the chair
2. Welcome by the host, Mark Augustenborg Ødum, CFO better energy A/S
3. Company presentation **better energy A/S**
Copenhagen based Better Energy develops, builds, owns and operates renewable energy parks that supply companies, cities and countries with green energy, and is one of the fastest growing providers of solar energy in Northern Europe with a pipeline of over 10 GW of solar parks. With now over 500 employees and offices in Denmark, Sweden, Finland and Poland and other markets to come, it represents a new generation of non-utility owned renewable industry.
